Shank_Junior_Science 202_Period 7_Off-site Learning Packet Day 1

[redacted]

You may write your answers on a separate document for this blizzard bag assignment.

1. Read the article “Frankenfoods? The Debate Over Genetically Modified Crops”. Use a dictionary for words you are unfamiliar with.

http://sciencecases.lib.buffalo.edu/cs/files/3-gmfoods.pdf

2. Answer the Study Questions (numbers 1, 3, 6, and 7).

3. Find 2 examples of popular restaurants that use genetically modified foods and explain they use them?

4. Write one-two paragraphs on your opinion of genetically modified crops using persuasive evidence to support your position.
