

Admission Requirements

Admission is granted through an application process from your school guidance counselor. You must be 16 years or older by October 1st of the current school year and have seven credits or a conditional acceptance plan (see your Guidance Counselor for more details). Home school academic requirements still apply while attending Maplewood.

No Tuition Expenses

Maplewood serves ten school districts in Portage and Summit counties. There is **no tuition charge** for high school students from the participating school districts. Some students will need to purchase tool kits or other special items for course work. A payment plan/financial aid is available so that programs are affordable for all families.
