

Hall - Sr. MGC - Off-Site Learning Packet - Day 1

Instructor Jon Hall

Date

Program/Class MGC Srs.

Period _____

State Indicator/Competency:

Employability Skills

Demonstrate skills needed to find a job.

Instructional Objective(s):

The student will be able to apply knowledge of personal abilities, interest and skills to the seeking of employment and locate four entry level jobs that they could apply for at this time.

Materials:

Newspaper, want ads, internet job search websites, community postings, etc.

Method of Instruction:

Group instruction on what is required to complete this assignment. Individual instruction will be provided as needed.

Activities:

1. The student will identify 4 different places of employment that they could apply for and are qualified for now and after graduation from high school. For each place of employment the student will need the following information:
 - A. Name of person or company
 - B. Street address
 - C. Phone # and or web address
 - D. Job description
 - E. Distance from home

Closure:

1. These jobs can be full time or part time opportunities.
2. Look in the newspaper, look online, ask family members.

Assessment:

10 points possible, 2.5 points for each complete job opportunity turned in by due date.

MGC Senior Blizzard Bag #1

Instruction to complete Blizzard Bag #1

The student will identify 4 places of employment that they could apply for at this time and after graduation from high school. These should be part time or full time entry level jobs. Entry level jobs are jobs that require little to zero experience. For each place of employment the student will need to provide the following information:

- A. Name of the company or person
- B. Street address
- C. Phone # and/or web address
- D. A brief job description
- E. Distance from home

Look for your information in the following places: Newspaper, want ads, internet job search websites, community postings, etc.

The assignment is due 2 weeks from the first school day after school was called off.
