

Lovejoy Junior Lab Off-Site Learning Packet Day 7

Instructor Michael Lovejoy

Date 2019-2020

Program/Class JR AST

Period 1 - 4

Activities:

Students will read the following customers concern with the car.

Ricky Bobby went out to start his 1969 chevelle. The car would not start. The key turned but, nothing happened. He decided to have towed to your shop where you will be going to diagnose the concern. First step is to verify the concern. When the key was turned nothing happened.

Assessment:

Students will receive 10 points for completing this assignment.
