Cashier

Cashiers have many responsibilities. They need to keep their work area clean. They need to be courteous and helpful. One of their main jobs is to make correct change when customers buy something. Most cashiers learn their job by doing it. If you want to be a cashier you will likely be able to find a job.

Try It Yourself You are finding the totals for one day of sales. Make the following computations.

Items	No.	Cost Each	Paid With	Change	Items	No.	Cost Each	Paid With	Change
