### Globalization Homework

**Part I:** Go through your house and find items from 10 different countries and list them in the chart below. You may only use each country once (i.e. only one item from China). You may not use the United States as we are examining foreign trade.

Item	Country

Stoddard Dare – Social Studies A – 3<sup>rd</sup> Period – Off-Site Learning Packet Day 3

**Part II:** Answer the following questions in complete sentences.

1. How has globalization impacted your standard of living? Explain your answer using at least two examples from your charts.

---

---

---

---

1. Examine your chart and then predict the strength of various economies based of the products they produce with 80% accuracy.
