1. Explore your back yard and surrounding forests searching for edible wild plants and fungus.
2. What edible plants or mushrooms were you able to find?
3. Take photos of anything that might be edible.
4. Do not eat anything you find without having it evaluated by an expert-you could poison yourself or others.
5. Design a dish around any foraged items you located.
6. How could you turn this free product into a great restaurant dish?
7. The goal is to find 4 edible plants or mushrooms and create 4 dishes from these items. If you cannot find 4 items, use items from the videos and design dishes around them.
8. You will be given 25 points for each item.
