

Kovach_Communications 1st period_Off-Site Learning Packet Day 1

You may write your answers on a separate document for this assignment.

Directions: Research a job in which you are very interested. I would like you to find out the following information about this job, and write one paragraph about the job you chose. Be sure to include all of the information you find by answering the questions below.

I have included some example links you might use to assist you:

<https://www.bls.gov/ooh/>

<https://www.careeronestop.org/>

1. How much education does this job require?
2. What skills and experiences are required for this job?
3. What is the average pay for this job?
4. What are the typical hours for this job?
5. Where are positions in this field near you?
