

Microsoft Teams for Students

In the event we need to go to a hybrid schedule or a fully online schedule, instruction will be delivered through teams on days you are not scheduled to be at school. Microsoft Office 365 Teams can be accessed from a web browser: <https://login.microsoftonline.com> or go to your app store and download the free Microsoft Teams app.

Login information:

Username:

Example: Student name is Thomas Anderson

Office 365 Teams login is andersonth@mwood.cc (School computer login + @mwood.cc)

Password:

Example: Thomas Anderson's school lunch pin is the four digit number 4356.

Office 365 Teams login password is Maple4356

(Maple+lunch pin)

For more information about accessing your teams, go to www.mwood.cc/hs/teams

You are expected to login to Teams for each of your class periods at the regularly scheduled time period. During your lab periods, you will login at the beginning of lab and the lab instructor will provide two, 20 minute lesson per lab with 10 minutes between each lesson for discussion and questions. Juniors will login during their lab time and seniors login during their lab time.
