ACADEMICS

All students are required to take two credits of English and Mathematics. One credit each of government (social studies) and science. Course work in mathematics, communications and science is customized to the individual program as well as meeting the graduation requirements for the state of Ohio.

Eligible students may also become members of the National Honor Society, Award of Merit, and the Ambassador Club. All students are encouraged to participate in after school extracurricular activities at their home schools and to join a professional club through their Maplewood program.
