GETTING YOUR HANDS ON EDUCATION

End of Course (EOC) Testing and Graduation

Students may be retaking EOC exams and/or first time EOC exams for graduation again this year. We will be working with the home districts to set up the testing. Students who are testing at the home district must return to Maplewood when the EOC testing is completed each day.

Attendance Information

To report a student's absence, parents may call the attendance office directly at 330-235-0018. Parents are reminded to provide a medical or court note if a student arrives late or leaves early. Vacations must be pre-approved and the student must be accompanied by his/her parent for the absences to be excused.

Parental Access to ProgressBook

Maplewood Career Center utilizes ProgressBook for our electronic gradebook program. We have generated a one-time key code that will be used by parents to create their own account online. Students are also able to create their own account using a student key code. The ProgressBook link is located on the Maplewood website. Instructions and account information for parent access to ProgressBook was mailed home to all junior students. Student account information was given out in first period. Returning seniors are able to use the same account information as last year. Please contact Ms. Guth at guthch@mwood.cc if you need assistance.

Semester Grades

Students will be taking semester exams from December 10 thru December 17. The semester exam will be calculated into the second quarter grade. Semester report cards will be mailed home around January 21.

Video Surveillance

Maplewood has installed cameras and video equipment to monitor some sections of the building and grounds. The purpose of this equipment is to assist in meeting the curricular needs of the Criminal Justice Program and in providing a safe and secure environment for its students, staff, and general public. The school reserves the right to use tapes/files in disciplinary occurrences. Tapes/files may be used as part of the disciplinary investigation to show rule violations to hearing officers, police and/or court authorities.

Maplewood Quarterly Update

ACT/SAT Testing

Juniors will be taking the ACT or SAT test through their home district in late February to early April. The home districts will be providing more information, including testing dates, later this year.

Spring Parent/Teacher Conferences

Maplewood Parent/Teacher Conferences will be held on Wednesday, February 3, from 3:15 p.m. - 6:45 p.m. Before the conferences, program instructors will contact parents/guardians to set up a convenient time to meet. Academic instructors will also be available to discuss student progress. For your convenience, sign up sheets will be posted outside each academic instructor's door. Academic conferences will be held to ten minutes as many of the instructors have more than 100 students. We feel it is very important to keep parents informed of their son's/daughter's progress and that parent conferences can be very beneficial. We look forward to seeing you. In addition, Maplewood Career Center will conduct a College Credit Plus meeting at 5:00 p.m. in Conference Room A that evening.

Senior Awards

The Senior Awards Ceremony is scheduled for 7:00 p.m., May 25, 2027 at the Kent State University MAC Center. The ceremony location is able to accommodate a large crowd and alleviates the need for tickets. Stu-dents will wear their home school graduation gown. Senior Awards Ceremony practice will be held on May 24, 2027, at Maplewood. Students must attend practice in order to participate in the Senior Awards Ceremony. Senior exams will begin on May 24 and conclude on May 25. Make-up exam day will be on May 26.
